# ESL PROGRAM

US University Pathways is thrilled to offer English language support at Forward International Academy, designed specifically with our international students' needs in mind. As part of our commitment to support students to succeed academically, we've connected with Sacred Heart University's English Language Institute to provide English language proficiency programs for various levels in grades 9-12. Students may access coursework anytime.

**COST: \$600**

4 Months per Level

4-month course per level - fully online

5-7 hours per week

\* Partner schools and families that choose the Partnership Plus Tier at FIA will have access to the ESL curriculum **included with tuition**, along with full access to the FIA online curriculum, teacher support, access to college credit in high school, and receive third-party tutoring assistance and professional development opportunities.

Sacred Heart University English Language Institute ESL program is accredited by the Commission on English Language Program
